# “I Will Love Them Freely”

1. **Song** – Review who Jesus is while looking at a picture of Him. What has He done for us? How have we felt Him in our lives and in our hearts?  
Sing or listen to “[I Will Walk With Jesus](#),” “[Come Unto Jesus](#),” “[Come Unto Christ](#)” missionary duet, or “[Come Unto Christ](#)” by Shawna Edwards. Remind them of Christ’s love for each of them.
2. **Clock Game** – Print up the clock pieces from the link in the picture below. If you want to simplify, just have them say times of the day out loud instead of printing up the clock. It could also be fun to use a real clock with minute/hour hands to do this activity.  
From the manual: [Hosea 10:12](#). *Children might enjoy drawing a clock and planning ways they can seek the Lord at different times throughout the day.*
- Take turns saying a time of day or showing a certain time on the clock. Talk about things we might be doing during that time of day and ways we could seek Jesus during that time of day. Discuss specific things we can do to remember Jesus throughout each day.

3. **Scripture Draw** – Do the scripture draw on page 3 below.
4. **Sowing and Reaping** –
  - Watch and discuss [The Law of the Harvest](#) video from Latter Day Kids.
  - From the manual: “Read [Hosea 10:12](#) to the children, and invite them to do simple actions to help them understand the verse, such as pretending to plant seeds, pick vegetables from a plant, or stand in the rain. Or show pictures of seeds, plants, and rain. Help the children compare planting a seed and reaping good food to living righteously and receiving the Lord’s blessings. Testify of the blessings the Lord has rained upon you as you have tried to seek Him.”
5. **Hot Potato Seed Game** – Cut apart the pieces from page 4 below. Give one person the “Bad Seed” piece and everyone else one of the other pieces. Sit in a circle and play music, such as [Choose the Right](#). Pass the pieces of paper around the circle while the music is playing and pause the music at random times. When the music stops, everyone will stop passing papers around and follow the directions on their card. We’re planning on giving a small treat, like a Skittle, to each person who lists a righteous thing they can do that will bring blessings into their lives. Encourage them to think of new things that haven’t been said before. Repeat as many times as you want to.

6. Gift of the Holy Ghost – One huge blessing we receive when we try to seek Jesus is the Holy Ghost. We can feel the Holy Ghost’s influence before we’re baptized, but we can get the gift of the Holy Ghost after we’re baptized.
  - Watch and discuss “[Gift of the Holy Ghost](#)” from Latter Day Kids.
  - Discuss this quote from President Russell M. Nelson and testify of the importance of striving to listen to and heed the Spirit’s promptings: *“In coming days, it will not be possible to survive spiritually without the guiding, directing, comforting, and constant influence of the Holy Ghost”*.
  - Read [Fire!](#) story from The Friend and/or share your own personal experiences of ways the Holy Ghost has helped you in your life.
  
7. Hot Fudge – Remind them that when we follow Jesus, we can feel blessings in our lives through the Holy Ghost. From the manual: [Joel 2:28–29](#). *“What could it mean for the Spirit to be “poured out” upon us? Maybe you could demonstrate this by pouring a liquid and then contrasting it with a drip or a trickle.”*
  - Use hot fudge on ice cream to demonstrate this (or another topping your family enjoys). Would you rather have a small drip or a lot poured out? What kind of blessings can be “poured out” on us through the Spirit? What kind of choices can we make to help us feel the Spirit often?

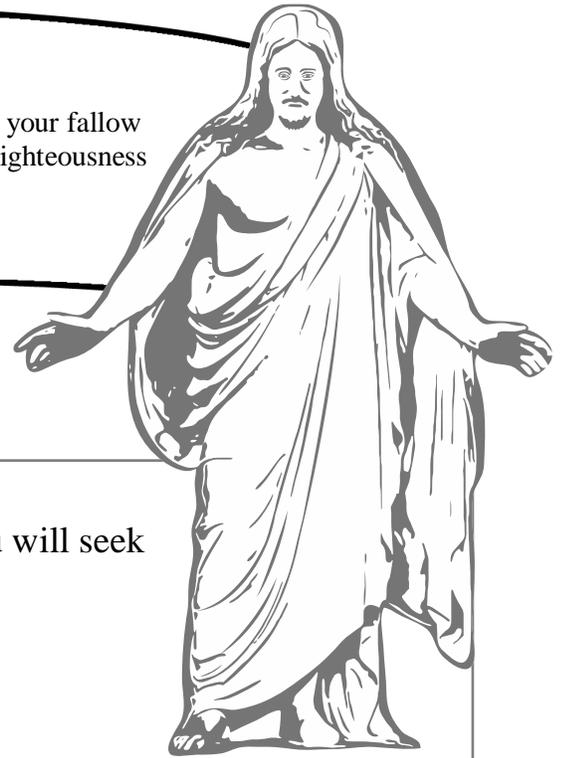

**NEW BOOK!** We’ve been working hard to create a new book to help make teaching the New Testament easier for you for next year’s Come, Follow Me! My very favorite thing about this is that it will have all of the **activity sheets ready to cut right out of the book so that you don’t have to make your own copies!** There is one lesson with a cut-out activity per week included, and they follow the order of the Come, Follow Me curriculum. It’s available for pre-order right now on Amazon as well as on Cedar Fort’s website. We’re really hoping to make life simpler for anyone teaching CFM to their kids next year. If you’d like to order, click on the picture. 😊

Sow to yourselves in righteousness, reap in mercy; break up your fallow ground: for it is time to seek the Lord, till he come and rain righteousness upon you.
